Dear colleague:

In a review of our records, we realized that we inadvertently referred to the DataMaster updates for the last two months as January and February 2010 rather than **2011**.

Attached are corrected cover letters for the January and February 2011 DataMaster updates. Please replace the cover letters previously sent to you that were dated February 10, 2011 and March 11, 2011. Any documents that were attached, including maintenance and repair records, certification records and installation records, were listed with the correct dates.

We apologize for any inconvenience this may cause your office.

If you have any questions, please feel free to contact me at (802) 863-7570.

Thank you.

Sincerely,

Mary Celotti  
Laboratory Director
